"Opening doors to the future"

**Governors' Annual Report to Parents  
2015/2016**

This report is intended to inform you of the steps taken by the Governing Body in the discharge of its functions since the last report to parents.

**"Opening doors to the future"**

## **Message from the Chair of Governors**

Dear Parents/Carers

It gives me great pleasure as Chair of Governors to share with Parents/Carers of Greenfield pupils this annual report and I am pleased to tell you that for the third year in a row Greenfield has been categorised as a 'Green' school.

The school has linked closely with Welsh Government to influence the excellent work that has been undertaken as Digital Pioneer lead, supporting a Pioneer school with assessment for learning practice and being a Lead Creative school.

The school has developed it's values and aims for the next academic year and has involved all stakeholders in the process. The vision, mission statement, values and aims are detailed below;

### **Our Vision**

'To open doors to the future'

### **Our Mission Statement**

That children, staff, parents, carers and all stakeholders work actively in partnership to enable all pupils to realise and reach their full potential.

### **Aims**

- For pupils to operate as independent learners and thinkers
- To inspire a love for learning
- To provide a relevant curriculum for all
- For pupils to value themselves
- To foster a sense of belonging to a community

### **Our Values**

- We create
- We respect each other
- We try our best
- We are a team
- We learn from mistakes
- We celebrate each other's success
- We are polite and considerate
- We produce magic moments

We want every child to be safe and happy in our school. We believe that the key to this is for us all to have self-respect, respect for others and respect for property.

Everyone has the right to:

- Feel safe, cared for and respected.
- Be able to learn to the best of his/her ability and to develop whatever skills he/she possesses.
- Be treated equally irrespective of gender, race, physical characteristics or any other factors.
- Learn and play without disruption.

Everyone is expected to:

- Be responsible for their own behaviour
- Respect the rights of others
- Share our values.

I am delighted that we have an Outreach worker from Greenfield supporting pupils within the Local Authority and this is evidence of the excellent work that is being undertaken. I am also encouraged to see the workshops that are currently being undertaken in particular supporting parents with addressing behaviour and curriculum concerns.

We continue to develop the school site and I am pleased that we now have electronic gates and more secure fencing at the front of the school. I am sure that you will see this as a welcome addition to the school.

The work of the Governing Body continues to be a vital importance to the school and I would like to take this opportunity to thank the members of the GB for their hard work and dedication in their vital voluntary role. I am delighted that the Governors have continued learning walks and have a good insight into the daily running of the school.

I would like to thank all staff and pupils for their hard work and all stakeholders who contribute to the success of the school.

I would also like to thank Parents, Carers, Grandparents and all who ensure pupils have an enjoyable learning experience.

Yours Sincerely

Maria Rowlands  
Chair of Governors

### **Your right to request a meeting with the school's governing body**

The Schools Standards and Organisation (Wales) Act 2013 (The Act) removed the requirement for school governing bodies to hold an annual meeting with parents. Instead, new arrangements were introduced to enable parents to request up to 3 meetings in any school year with a governing body, on matters which are of concern to them. If parents wish to use their rights under the Act to hold a meeting, 4 conditions will need to be satisfied:

**1. Parents will need to raise a petition in support of holding a meeting.**

In order for parents/carers to request a meeting with the Governing Body, 10% of the pupils registered at the school will need to do so. Should you require a meeting please contact the schools office on 01443 690 468.

**2. The meeting must be called to discuss matters which affect the School**

The meeting cannot be called to discuss such matters as the progress of individual pupils, or to make a complaint against a member of the school's staff or governing body..

**3. A maximum of 3 meetings can be held during the school year**

The law allows parents to use their rights to request up to 3 meetings with a school governing body during the school year.

**4. There must be at least 25 school days left in the school year**

The law makes it a condition that at least 25 school days are left in the school year when the petition is received so that the meeting can be held.

A "school day" means a day when the school is open to pupils: it does not include weekends, public holidays, school holidays or INSET days.

The address for service of a petition requesting a meeting with this school's Governing Body is:

Chair of Governors or Clerk to the Governing Body, Greenfield School, Pentrebach, Merthyr Tydfil.  
Further advice on how parents may go about requesting a meeting with a governing body is available on the Welsh Government's website at:

**Chairperson of the Governing Body is:**

Ms Maria Rowland  
 Greenfield School  
 Pentrebach  
 Merthyr Tydfil 01443 69046

Copies of Governing body Minutes are available at the school for parents wishing to view them.

From time to time, vacancies occur for parent representatives on the Governing Body. Any parent of a pupil registered at the school is eligible to stand as a candidate. All parents of children at the school have the opportunity to participate in the election if one is deemed necessary. The election will take the form of a secret ballot and parents are able to vote returning the ballot paper to school in a sealed envelope marked 'voting paper', with a pupil or by post. The LA will make the necessary arrangements for the election. Arrangements are made for the election of parent governors one school term before a parent governor's term of office expires, or on receipt of a resignation. Information about parent elections is sent to parents via text or post.

**Governors' Functions**

Meetings of the Governing Body have taken place on a regular basis throughout the last year. At the first meeting of each term Governors receive and consider the Headteacher's written report on the School and its work. We also have a number of wider issues brought to our attention by the Local Education Authority. Minutes of all these meetings are available for anyone who wishes to read them. Issues raised by the LEA for all Governing bodies to consider have included Health and Safety Management in Schools; Child Protection Policy and Procedure; Managing staff in schools - counselling and disciplinary procedures; Education workforce registration; dealing with complaints; eSafety strategy; pupil participation and rights of children and young people; Welsh education – strategic plan.

The Governing Body comprises of a number of committees which deal with such issues such as Finance, Premises, Curriculum and School Improvement, Staffing, Pay, Discipline and Health & Safety. All Governors have had the opportunity to participate in the LEA training programmes for Governing Bodies and school-based training for Governors was held on the use of data in special schools.

**Previous APM**

No request was made for a meeting in 2015/16.

**Admissions Policy**

The procedure for admissions involves pupils being assessed and a Statement of their Special Educational Needs being drawn up by the LEA. The LEA Inclusion Panel meets to discuss referrals to the School and makes a decision on the placement of pupils with SEN. Parents are encouraged to visit the School if a possible referral is being made so that they can make an informed choice. If the LEA recommend Portfield and the parents are in agreement then the LEA will agree an admission date. All parents of pupils admitted will be asked to sign a Home/School Agreement.

#### **Staff Training (CPD)**

Targets have been focused on pupil progression making sure that all staff are developing the necessary skills in order to achieve whole school impact in every class. LNF skills are continue to become embedded ensuring that the literacy and numeracy skills are a high focus.

Impact of staff training is evident through the self-evaluation report 2014-15. To meet the key priorities in the school staff have received varied specialist training. The Iris technology has been highlighted as part of the school to school working. IRIS Connect supports self-improving teachers, schools and systems by helping to build on strengths which will improve outcomes for teachers and pupils. Ipad technologies, Iris platform and integrated video technology provide powerful professional learning opportunities and enable deeper collaboration within and between schools. This has allowed staff to share teaching experience with other colleagues allowing staff to self-reflect and have impact on learner outcomes.

Staff worked closely with local schools on a project called 'Triad'. Schools particularly looked at assessment and positive behavior support. Greenfield delivered training and helped support the

implementation of B squared assessments and Positive Behaviour Support in 3 primary schools in the local authority. In addition to this the school is currently supporting all school in Merthyr LA with Positive Behaviour Support.

All teaching staff received moderation training and have submitted standardized levelled work. This has been externally moderated as part of the all Wales special school programme. This allows us to ensure that there are correct judgements being made in Greenfield in line with the Literacy and Numeracy Framework.

The key interventions such as POPAT, Read Write Inc and Big Maths have continued to be monitored to ensure that the impact on pupil progress is still evident, development days internally has supported this.

The Literacy and Numeracy framework will continue to be at the forefront of our work as we use new baseline software for our pupils to ensure that progress in these skills can be tracked. All staff has received training and will use this software package over the next academic year.

The Continua has been introduced to Greenfield this year, it is a document that can be used by all staff to baseline their areas of strength and show where targets for continued professional development could take place. It allows staff to track their own performance and ultimately has an impact on pupil outcomes. It will be used in Greenfield as the supporting tool for performance management with the leadership team, teachers and all support staff. All staff have received the training and have currently base lined themselves.

### **Internal organisation - School Organisation**

There are three school buildings consisting of the Primary Department, Secondary Department and Post 16 Department. We have 18 classes within the three departments.

Pupils are grouped by key stage, ability and individual needs including:

- Foundation Phase, KS2, KS3, KS4 and Post 16.
- Pupils with Profound and Multiple Learning Difficulties are grouped to ensure their particular needs for a sensory curriculum are met alongside their medical needs.
- Pupils with Autistic Spectrum Disorder are integrated as much as possible into key stage groups or depending on the individual needs of the pupil can be taught in a designated group.
- Inclusion opportunities in mainstream lessons in local schools and colleges are provided when deemed suitable.
- Class sizes are significantly smaller than mainstream school with a high staff pupil ratio. There is an average of 6-12 pupils in each class with 3-5 staff depending on the needs and abilities of pupils in that particular class.

### **School Hours**

Primary - Morning session 9.00am – 11.45am - Afternoon session 12.30pm – 3.15pm

Secondary and Post 16 - Morning Session 9.00am – 12.15pm - Afternoon Session 1.00pm – 3.15pm.

### **Attendance**

At Greenfield School we do our utmost to support excellent attendance and recognise its impact in terms of pupil achievement and social and emotional wellbeing. With your support and through a range of new initiatives we hope to meet our target of 93.5% attendance for every pupil. Although excellence in attendance is our goal, we do recognise the unique circumstances that surround some of our pupils and where possible, take this into consideration when working with the Local Authority to support our pupils in achieving the best possible attendance. Every parent will be sent a copy of their child's current attendance, together with an information booklet which contains a register for you to keep of your child's absences, for whatever reason. You will be able to self-track and monitor your child's attendance.

**Standards of achievement**

Pupil progress is very good for the majority of pupils and this is seen through the use of P level/NC tracking systems and IEP target achievements.

Pupil progress is good or very good for the majority of pupils in core subject areas/key skills as assessed through P levels/National Curriculum, an example of mathematical and literacy data end of key stage analysis is shown below. Literacy and Numeracy skills are taught across the curriculum through topics and themes in Foundation, KS2 and 3 and through a range of accredited qualifications and vocational activities in KS4 and 5.

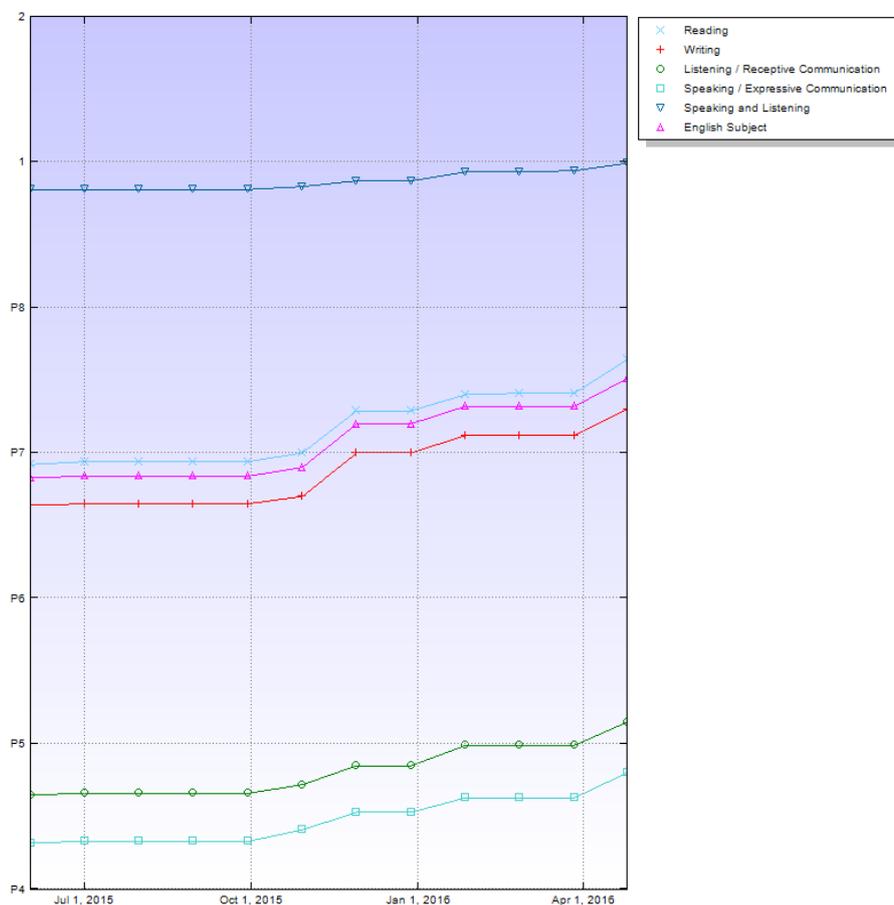

Assessment, recording and reporting are considered to be an integral part of the curriculum. All aspects of this work are regularly monitored by members of the Senior Leadership Team. Assessment informs the teaching and learning process so that tasks can be attached to the individuals’ needs and abilities. Assessment is both formative and summative. Records are kept of a child’s progress, not only as a matter of reference, but also to inform teachers’ future planning. Where relevant, pupils are encouraged to review their own achievements and discuss with their teacher appropriate future learning objectives.

Below demonstrates whole school and key stage average gain:

## Whole School 2015-16

### Literacy

NC & P Levels, English - Current Levels on date 25/04/2016 for all students.  
Level complete when completed % greater than or equal to 80%

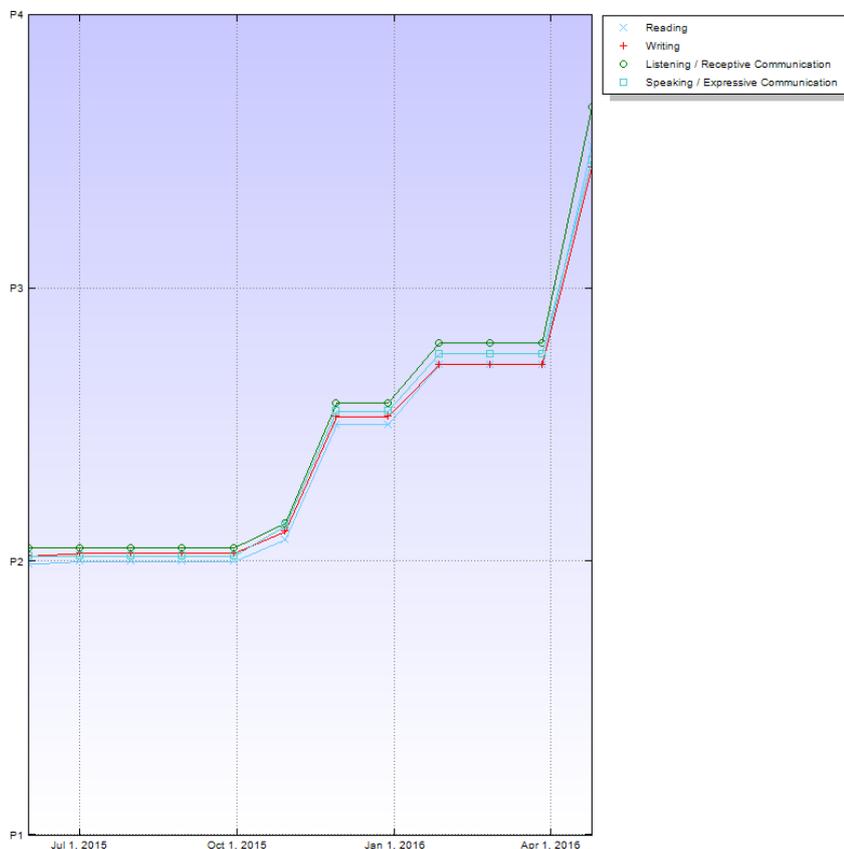

| Literacy & Numeracy Aspect       | June 2015   | April 2016  | Distance Travelled |
|----------------------------------|-------------|-------------|--------------------|
| Reading                          | <b>6.92</b> | <b>7.64</b> | <b>0.72</b>        |
| Writing                          | <b>6.64</b> | <b>7.30</b> | <b>0.66</b>        |
| Oracy – Receptive Communication  | <b>4.65</b> | <b>5.15</b> | <b>0.5</b>         |
| Oracy – Expressive Communication | <b>4.32</b> | <b>4.80</b> | <b>0.48</b>        |

The distance travelled highlights the average levels of pupil achievement in all areas over the past year. The impact of interventions, teaching and provision has contributed to this.

## Whole School 2015-16

### Literacy- Foundation Phase

NC & P Levels, English - Current Levels on date 25/04/2016 for students in Foundation Phase.  
Level complete when completed % greater than or equal to 80%

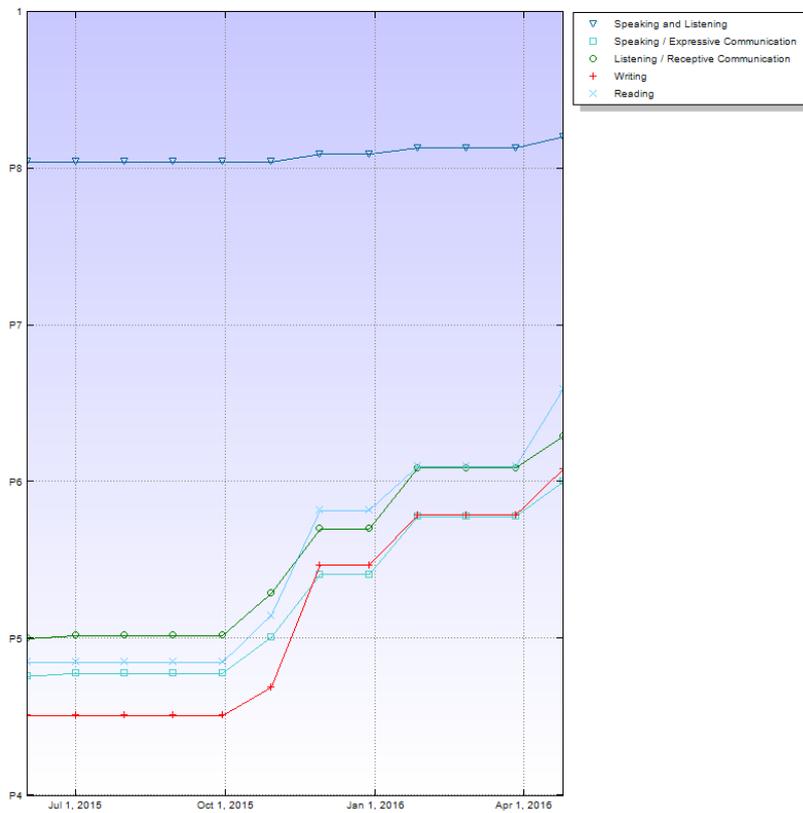

| Literacy & Numeracy Aspect       | June 2015   | April 2016  | Distance Travelled |
|----------------------------------|-------------|-------------|--------------------|
| Reading                          | <b>1.99</b> | <b>3.51</b> | <b>1.52</b>        |
| Writing                          | <b>2.02</b> | <b>3.44</b> | <b>1.42</b>        |

Pupils have continued to make excellent progress in KS2 in all areas of Literacy. The data demonstrates that intervention work is having an impact.

## Whole School 2015-16

### Literacy- Key Stage 3

NC & P Levels, English - Current Levels on date 25/04/2016 for students in Key Stage 3.  
Level complete when completed % greater than or equal to 80%

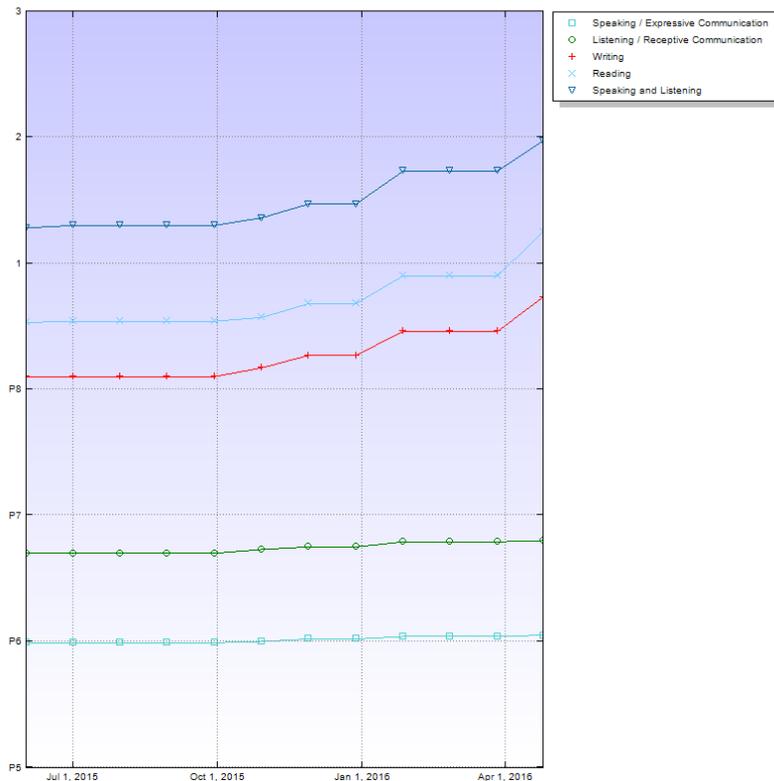

| Literacy & Numeracy Aspect       | June 2015   | April 2016  | Distance Travelled |
|----------------------------------|-------------|-------------|--------------------|
| Reading                          | <b>7.16</b> | <b>8.28</b> | <b>1.12</b>        |
| Writing                          | <b>6.85</b> | <b>7.88</b> | <b>1.03</b>        |
| Oracy – Receptive Communication  | <b>5.45</b> | <b>6.09</b> | <b>0.64</b>        |
| Oracy – Expressive Communication | <b>4.92</b> | <b>5.65</b> | <b>0.73</b>        |
| Oracy                            | <b>8.68</b> | <b>9.00</b> | <b>0.32</b>        |

Pupils in KS3 have made good rates of progress. The data demonstrates the changes in curriculum for a specific cohort of learners has a positive impact on achievement levels.

## Whole School 2015-16

### Literacy- Key Stage 4

NC & P Levels, English - Current Levels on date 25/04/2016 for students in Key stage 4.  
Level complete when completed % greater than or equal to 80%

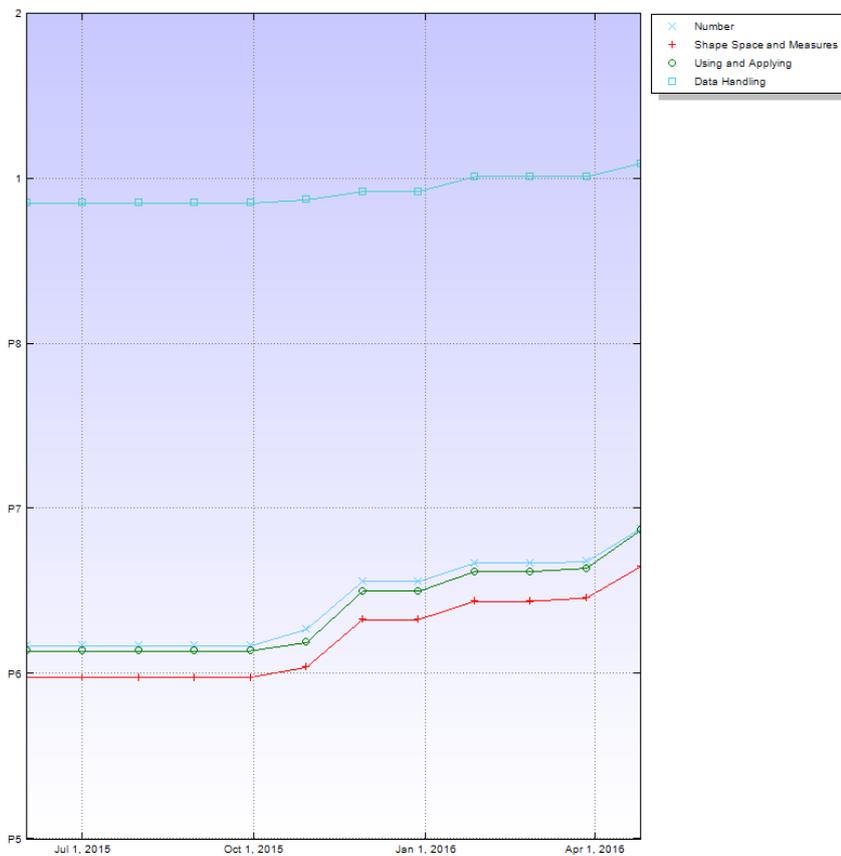

| Literacy & Numeracy Aspect       | June 2015   | April 2016  | Distance Travelled |
|----------------------------------|-------------|-------------|--------------------|
| Reading                          | <b>8.52</b> | <b>9.25</b> | <b>0.73</b>        |
| Writing                          | <b>8.10</b> | <b>8.73</b> | <b>0.63</b>        |
| Oracy – Receptive Communication  | <b>6.70</b> | <b>6.80</b> | <b>0.1</b>         |
| Oracy – Expressive Communication | <b>5.98</b> | <b>6.04</b> | <b>0.06</b>        |

Pupils in KS4 have continue to progress with their achievement and the data demonstrates good progress rates. KS4 also encompasses the Edexcel qualifications and this is mapped with the KS4 compulsory curriculum.

## Whole School 2015-16

### Numeracy

NC & P Levels, Mathematics - Current Levels on date 25/04/2016 for all students.  
Level complete when completed % greater than or equal to 80%

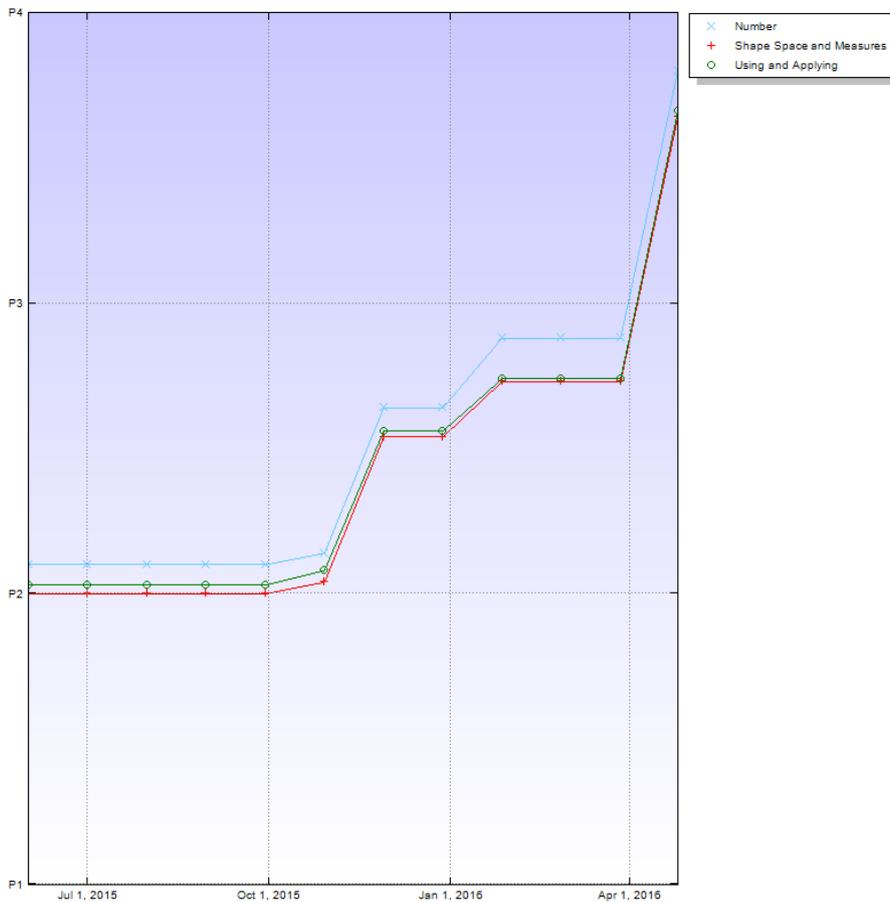

| Literacy & Numeracy Aspect | June 2015   | April 2016  | Distance Travelled |
|----------------------------|-------------|-------------|--------------------|
| Number                     | <b>6.17</b> | <b>6.88</b> | <b>0.71</b>        |
| Shape, Space and Measure   | <b>5.97</b> | <b>6.64</b> | <b>0.67</b>        |
| Using and Applying         | <b>6.13</b> | <b>6.87</b> | <b>0.74</b>        |
| Handling Data              | <b>8.85</b> | <b>9.09</b> | <b>0.24</b>        |

The data demonstrates a consistent rise in levels across the school in Numeracy. A continued rise in using and applying from last year's data is demonstrated. Further development of numeracy should seek further improvements in standards.

## End of Key Stage

### Numeracy- FND Phase

NC & P Levels, Mathematics - Current Levels on date 25/04/2016 for students in Foundation Phase.  
 Level complete when completed % greater than or equal to 80%

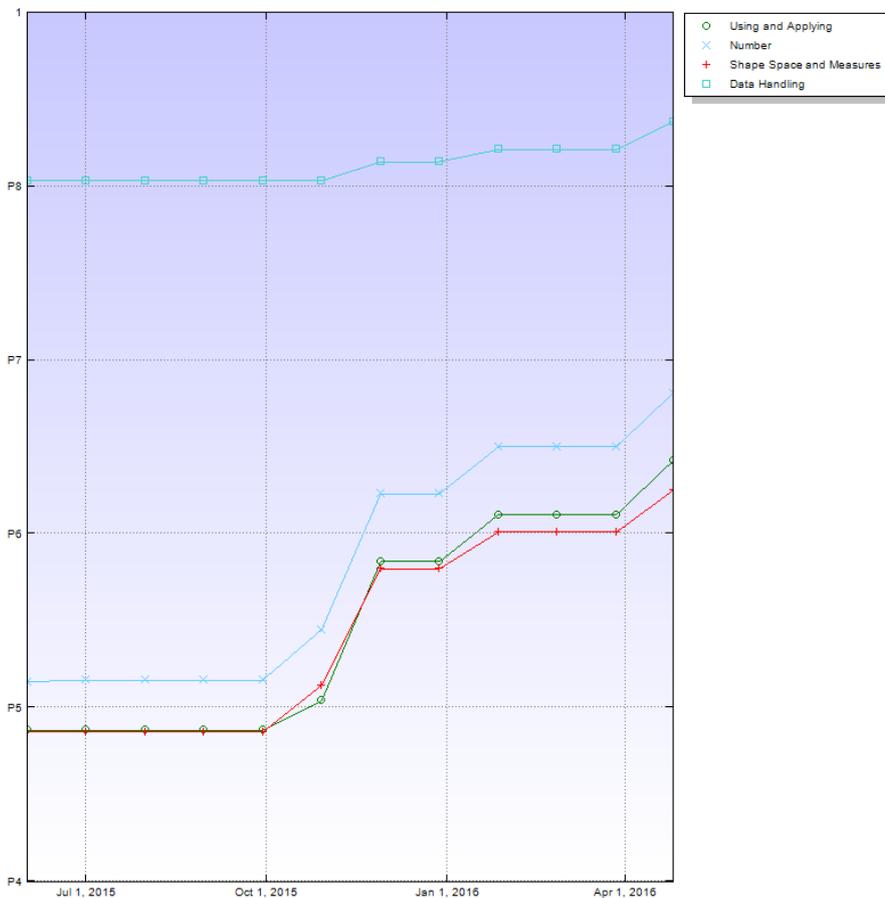

| Literacy & Numeracy Aspect | June 2015   | April 2016  | Distance Travelled |
|----------------------------|-------------|-------------|--------------------|
| Number                     | <b>2.10</b> | <b>3.80</b> | <b>1.7</b>         |
| Shape, Space and Measure   | <b>2.00</b> | <b>3.64</b> | <b>1.64</b>        |
| Using and Applying         | <b>2.03</b> | <b>3.67</b> | <b>1.64</b>        |

Pupils are base lined once they start the school. The data demonstrates excellent progress being made. The impact of teaching, provision and curriculum has had a significant impact on standards.

## End of Key Stage

### Numeracy- KS2

NC & P Levels, Mathematics - Current Levels on date 25/04/2016 for students in Key Stage 2.  
Level complete when completed % greater than or equal to 80%

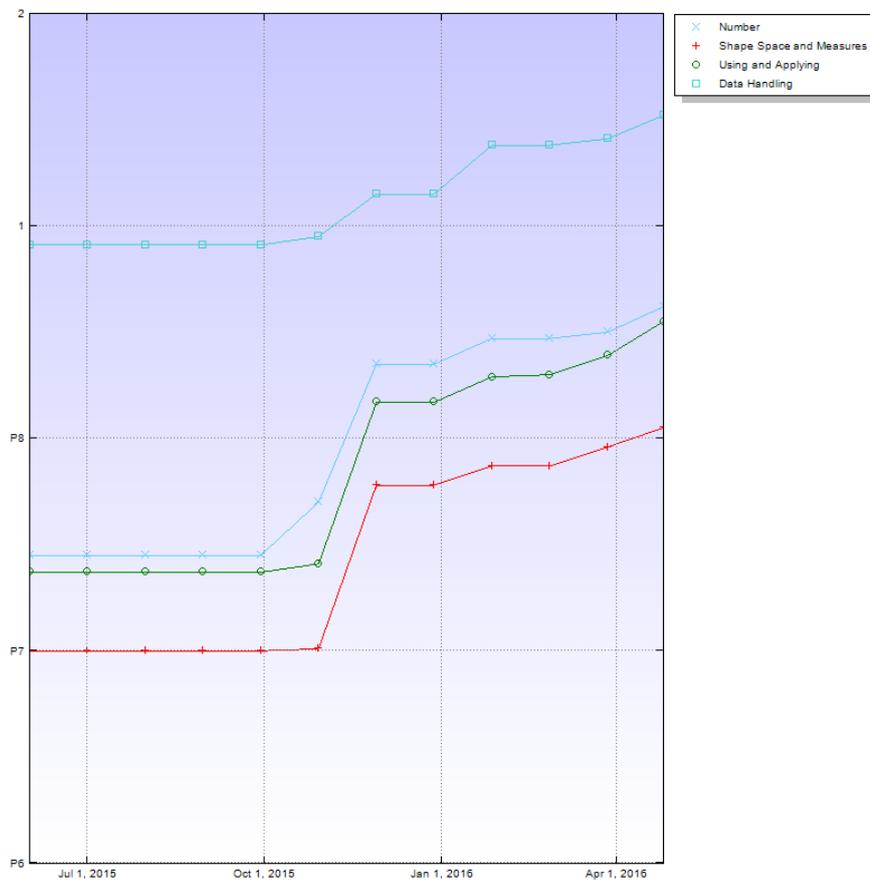

| Literacy & Numeracy Aspect | June 2015   | April 2016  | Distance Travelled |
|----------------------------|-------------|-------------|--------------------|
| Number                     | <b>5.14</b> | <b>6.81</b> | <b>1.67</b>        |
| Shape, Space and Measure   | <b>4.86</b> | <b>6.25</b> | <b>1.39</b>        |
| Using and Applying         | <b>4.87</b> | <b>6.42</b> | <b>1.55</b>        |
| Handling Data              | <b>8.03</b> | <b>8.37</b> | <b>0.34</b>        |

In KS2 pupils have continued to make excellent progress. This demonstrates the impact that the curriculum and interventions are having within this KS.

## End of Key Stage

### Numeracy- KS3

NC & P Levels, Mathematics - Current Levels on date 25/04/2016 for students in Key Stage 3.  
Level complete when completed % greater than or equal to 80%

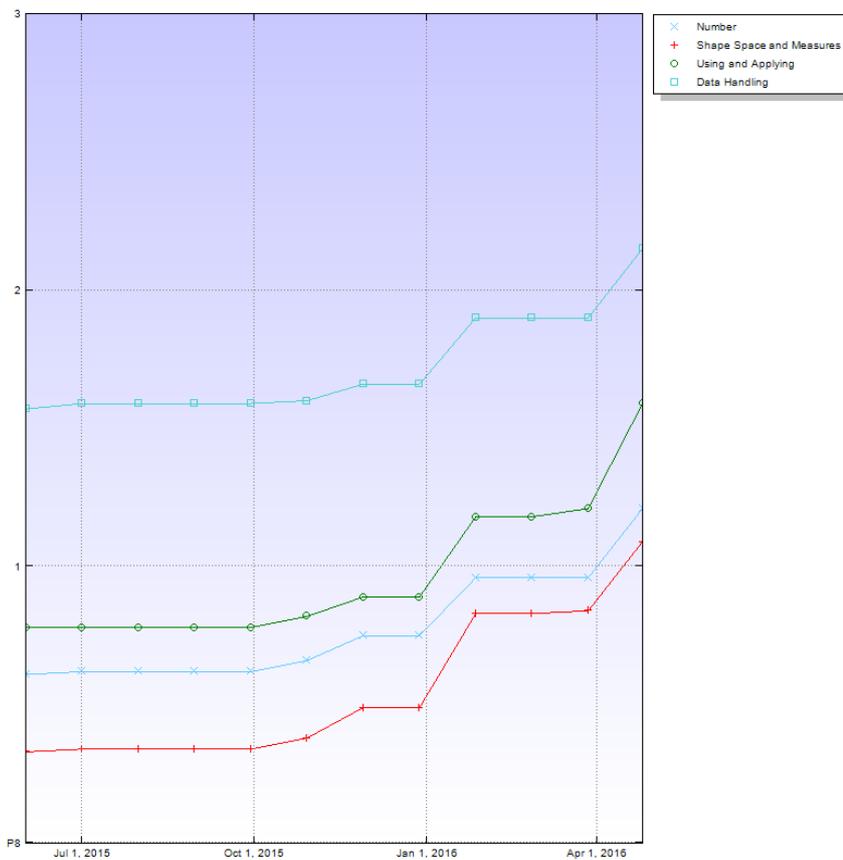

| Literacy & Numeracy Aspect | June 2015   | April 2016  | Distance Travelled |
|----------------------------|-------------|-------------|--------------------|
| Number                     | <b>7.45</b> | <b>8.61</b> | <b>1.16</b>        |
| Shape, Space and Measure   | <b>7.00</b> | <b>8.05</b> | <b>1.05</b>        |
| Using and Applying         | <b>7.37</b> | <b>8.55</b> | <b>1.18</b>        |
| Handling Data              | <b>8.91</b> | <b>9.52</b> | <b>0.61</b>        |

There has been continued improvement at KS3 across all areas of numeracy in particular number and using and applying. The introduction of new pupil groupings and provision has contributed to this.

## End of Key Stage

### Numeracy- KS4

NC & P Levels, Mathematics - Current Levels on date 25/04/2016 for students in Key stage 4.  
Level complete when completed % greater than or equal to 80%

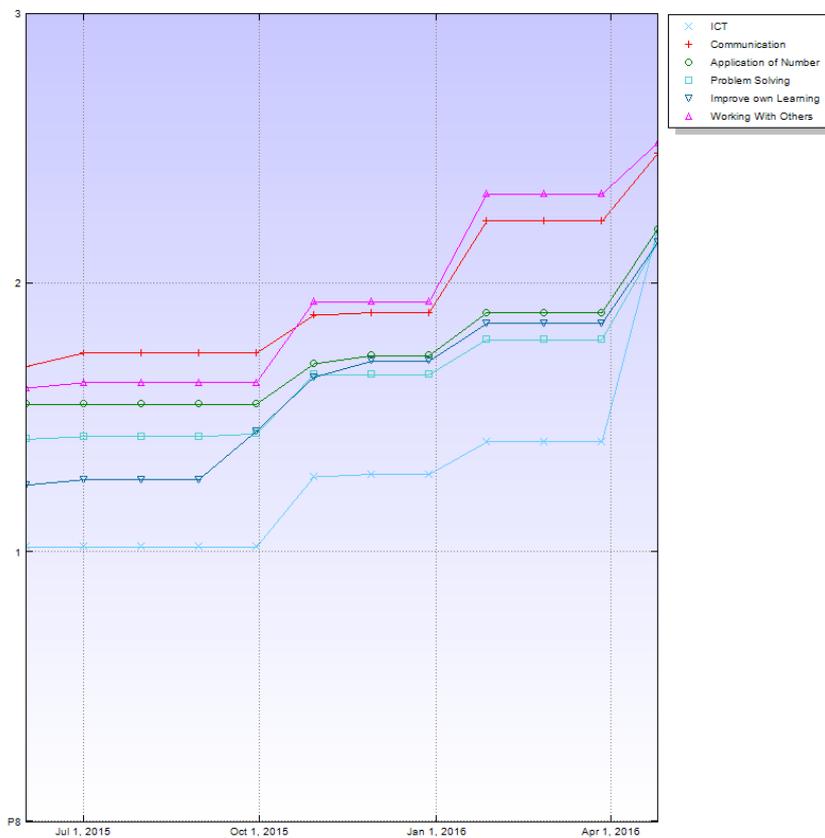

| Literacy & Numeracy Aspect | June 2015   | April 2016   | Distance Travelled |
|----------------------------|-------------|--------------|--------------------|
| Number                     | <b>8.61</b> | <b>9.21</b>  | <b>0.6</b>         |
| Shape, Space and Measure   | <b>8.33</b> | <b>9.08</b>  | <b>0.75</b>        |
| Using and Applying         | <b>8.78</b> | <b>9.59</b>  | <b>0.81</b>        |
| Handling Data              | <b>9.57</b> | <b>10.15</b> | <b>0.58</b>        |

Data demonstrates that good progress has been made in using and applying in KS4. The data shows that there has been a continued rise in standards across numeracy.

## End of Key Stage

### Post 16

Key Skills - Current Levels for all subjects on 24/04/2016 for students in Post 16.  
Level complete when completed % greater than or equal to 80%

| Key skills            | June 2015 | April 2016 | Distance Travelled |

| Working with others   | 9.60      | 10.52      | 0.92               |

The data demonstrates good progress across all areas of learning. In particular ICT has made excellent progress.

### School Development Plan- Overall Goals 2015-2016

|            |  | Start          | End       |
|------------|--|----------------|-----------|
| Priority 1 | Define the use of the National Literacy and Numeracy across all areas of learning.   | September 2015 | July 2016 |
| Priority 2 | To monitor and refine current summative assessment strategies, in line with the Donaldson review and enhance formative procedures. | September 2015 | July 2016 |

|             |  |                |           |
|-------------|--|----------------|-----------|
| Priority 3  | To use welsh assessment software to inform specific provision for all learners.  | September 2015 | July 2016 |
| Priority 4  | To implement the continua to improve the quality of teaching and support.  | September 2015 | July 2016 |
| Priority 5  | To use assessment data to monitor the impact of wellbeing interventions of all learners.   | September 2015 | July 2016 |
| Priority 6  | To develop a system for provision mapping across all aspects of wellbeing.   | September 2015 | July 2016 |
| Priority 7  | To demonstrate skill development in the quality of outdoor provision in all key stages.  | September 2015 | July 2016 |
| Priority 8  | To implement the Leadership continua and continue to develop distributed leadership across the school.   | September 2015 | July 2016 |
| Priority 9  | To further develop the quality assurance measures that are in place to help meet the SIP plan targets.   | September 2015 | July 2016 |
| Priority 10 | To continue partnership work in line with National/Local priority agenda. To use excellent practice within Greenfield to support the developments of the Donaldson review. | September 2015 | July 2016 |

The full self-evaluation report and development plan are available to view in school.

| 1. To monitor input of Welsh baselines in new B <sup>2</sup> assessment software. | Staff were briefed to transfer the adopted Spanish assessment targets achieved, over to the new Welsh targets that now exist in our software package. Where pupils had no previous data, baselines were set.   | The impact of creating and introducing this data assessment means that for the first time, pupils have bespoke targets for Welsh that are available for target setting and monitoring of progress. Teachers have input data since its introduction and distance travelled is available in the data pack. | To continue to monitor consistency of progress and specifically how the use of spoken Welsh in the classroom is reflected in the data analysis in B <sup>2</sup>  | 1 day for 1 member of staff <b>£140</b> |
| 2. To monitor efficiency and value for money of resource deployment.              | New resources for Welsh have been purchased and made available in a central store. Primary and Secondary resources have been differentiated in order to allow consideration for age appropriateness. Care has been taken to ensure that, where possible, duplication has been kept to a minimum. | Pupils have enjoyed access to suitable, quality resources that are age appropriate and varied. The resources have included materials that have impacted on both Welsh Language Development and Cwricwlwm Cymreig. See data pack for distance travelled.  | To develop use of software and web based resources to develop oracy in Welsh.<br>To purchase appropriate storage units for the Cwtch in order to make the Welsh resources physically more accessible via a library system. | 3. To set and deliver practice sharing opportunities                                 | Introducing opportunities for staff to buddy up in order to share good practice in using spoken Welsh in the classroom.   | To be arranged for May/June 2016.   | To develop the use of the IRIS to share exemplar teaching and learning in Welsh.  | 1 day (£140)<br>x 4 staff<br>Total: <b>£560</b>     |
| 4. Monitor planning files for evidence of long and medium term plans.                | Teachers have been supported in obtaining appropriate materials and planning resources that offer progression throughout the school and incorporate a long term plan for Welsh development. These plans incorporate the Consortium language patterns.   | Following a training event and Performance Management meetings, all staff now have clear plans for delivering Welsh in and out of the classroom environment. The improvements put in place allow all pupils including those with complex needs, access an appropriate curriculum for Welsh, where progression is evident. | TLRs to continue to support staff with collaborative planning. Where appropriate, to focus on developing writing skills. Examples of pupils work to be presented on relevant display boards around the school.                | Exercise books and display materials<br><b>£200</b> |
| 5. Lesson observation – monitoring of “Helpwr Heddiw”/”Swyddog”                      | During training all staff were introduced to the role of ‘Helpwr Heddiw’ and how this role assists others to develop spoken Welsh. This was modeled for staff with the intention teachers allocate a specific time slot each day to embed the strategy. | The use of ‘Helpwr Heddiw’ shows some inconsistency and teacher confidence in using ‘Helpwr Heddiw’ varies somewhat.  | The use of the IRIS and buddy opportunities will significantly improve this strategy by allowing more flexibility in sharing good practice. This will also relieve some pressure from the school twilight training programme. | Half a day (£70) x 4<br>Total <b>£280</b>           |
| 6. Feedback and review of evidence of progress from inclusion with Ysgol Rhyd y Grug | Selected pupils from G2 have visited Rhyd y Grug weekly for inclusion and integration opportunities in mainstream.  | Greenfield pupils have had opportunity to develop basic Welsh with mainstream peers and have benefitted   | The next phase in this inclusion opportunity will increase Welsh language   | Travel cost:<br>Minibus diesel £3 x 35 visits:      |

| 7. Submit Level 4 and 5 assessment criteria to B <sup>2</sup> | Level 4 and Level 5 assessment targets were derived from the Welsh Curriculum and assimilated into B <sup>2</sup> style layout. Submitted to software developers. | Impact not yet measurable but will extend scope of progression for MAT pupils. This is an important feature that will be shared with other schools and institutions in the future. | B <sup>2</sup> company to add L4 and L5 to our assessment software. | No cost      |

### **Safeguarding**

A priority at Greenfield is to promote the protection and well-being of all our pupils. We have designated child protection officers who regularly train staff in safeguarding matters and offer advice and guidance to all staff members. Our Safeguarding Policy is available on our school website and on request.

### **International Primary Curriculum**

It is a comprehensive curriculum with a clear process of learning and with specific learning goals for every subject, for personal learning and for international mindedness. It supports teachers to make all learning exciting, active and meaningful for children.

### **Literacy and Numeracy Framework**

The framework is part of the statutory curriculum for learners age 5-14. Within the 14-19 department staff continue to use the LNF to support pupils in further developing the skills they require in line with their ability level and needs. This has been developed alongside the accreditation. The LNF has been used as a tool to support planning in order to progress literacy and numeracy skills development across the curriculum. Teachers have ensured that the LNF skills are the primary focus in their planning. Ongoing processes are in place, such as the moderation of LNF skills and target setting, to enable staff to have clear assessments and tracking of individual pupils.

### **Foundation Phase**

Within the Foundation Phase classes their planning is in line with the 7 areas of learning. Pupils are encouraged to explore the world around them, understand how things work by taking part in practical activities relevant to their developmental stage. Pupils are encouraged to use continuous provision and the outdoor learning environment to master their educational targets. This less formal style of learning suits pupils with moderate and complex needs.

### **Key stage 2**

The full range of National Curriculum subjects, PSHE and RE are delivered thematically with the support of the International Primary Curriculum and Equals schemes of work. The principals of the Foundation Phase are continued within KS2 due to the pupil's needs and levels of achievement within Greenfield. The outdoor learning environment provides opportunities for teachers to ensure that continuous provision is available for the pupils; the provision can also be enhanced to support thematic planning. It is an expectation that provision will be enhanced and age appropriate with the learners within that setting.

### **Key stage 3**

The full range of National Curriculum subjects, Careers, PSHE and RE are delivered discreetly to mixed ability pupils. The class groups are organised in years 7, 8 and 9 wherever possible. International Primary Curriculum, Equals and Wheels Forever Turning planning guidance are used to help support the thematic planning in the department. Read Write Inc and Little Big Maths/Big Maths schemes are used in all classes to support learning. Pupils access the local community, such as cycling and shopping, to acquire and apply skills that promote independence. Outdoor education activities are also planned for a discreet group of learners who will be able to gain accreditation for the skills delivered.

### **Key Stage 4**

The focus in KS4 is towards preparing and completing work for National Accreditation and in preparing pupils for post 16 provision. The full range of National Curriculum subjects are delivered within the department. Careers education is an important element in the curriculum with regular input from a careers advisor and additional transition planning through a Person Centred Planning approach to support this. RE is taught thematically in KS4 through PSHE and multi-cultural events and activities. Edexcel is our main qualification provider within the department. Pupils follow the Edexcel Personal Progress planning document and accreditation guidance in order to achieve external accreditation. Pupils access the local community, such as cycling and shopping, to acquire and apply skills that promote independence. 14-19 pathways are offered to learners, these qualifications are vocational qualifications delivered with mainstream schools. Accreditation such as Motor Vehicle and Hair & Beauty is offered.

### **Post 16 (16-19)**

Within the Post 16 department all pupils have clear pathways for accreditation. This is based on previous accreditations achieved and destinations for the future. All pupils have a pathway which will include Basic Skill accreditation and an element of vocational qualifications. Qualifications offered are Edexcel Entry Level 1 and Entry Level 3 qualifications in Personal Progress and Vocational Studies. Also Essential Skills Wales is being delivered at Entry Level 2, 3 and Level 1 in Communication, Application of Number and ICT. Careers education and guidance is key at this crucial stage in a pupil's education, therefore close links continue to develop with the careers advisor, local colleges and day services.

Pupils access Merthyr College one day per week as part of the curriculum, they receive accreditation in various subjects such as Art, Food Preparation and ESDGC. 14-19 pathways are offered to learners, these qualifications are vocational qualifications delivered alongside mainstream schools. Accreditation such as Motor Vehicle and Hair & Beauty is offered. Pupils also take part in yearly work experience linking in with pupils' learning pathways and personal centred planning documentation. Within all of the classes there are additional wellbeing interventions that take place on a daily basis. This includes Touch Therapy, Drama Therapy, Hydro-therapy, Rebound Therapy and school-based counsellor session. These therapies are vital in supporting pupils with complex learning and behavioural difficulties, this promotes a pupil's readiness for learning and helps raise a pupil's self-esteem in order to achieve their very best.

### **Finance**

No expenses have been claimed by governors.

### **PTA**

The Friends of Greenfield work closely to raise money through the charitable status. Parents work closely with school and have raised and contributed throughout the academic year. The school seeks to gain additional support from parents and stakeholders.

### **Lunchtime Clubs**

The school provides various lunchtime clubs for pupils. The pupils engage productively in a range of sporting activities across a range creative and skills building exercise clubs.

### **Healthy Schools**

The school currently holds the Phase 5 Healthy Schools Award. We are a healthy school and encourage parents to support this initiative through providing the pupils with 'healthy' packed lunches, in line with the healthy school dinner menu, supplied by the LA catering department. Water and fruit are offered to the pupils for snacks.

### **Community Links**

The school is developing good links with the community:-

- Working in partnership with 'Stephens and George Charitable Trust' –volunteers visit the school. (Chess)
- Special Olympics.
- We have regular visits from health workers, community police and the local fire service.

### **Parent Information Evenings**

We have held parental consultations during the Autumn and Summer terms. All meetings were well attended -progress and targets were shared with parents. Annual reviews also take place and are created in a person centred practice manner. The school runs many workshops for parents and the evaluations and impact of these are recorded in school.

### **School Magazine**

The school celebrates the success of all stakeholder and these are shared and distributed on a termly basis in the form of our school magazines. These have been in place for many years and share the experiences and celebrations of pupils. Please see website for magazine editions.

### **Complaints**

The Governing Body has established a procedure to consider complaints in relation to the school's curriculum and other related matters. This procedure is available in a document available in school. A copy would be available to any parent seeking to make a complaint under these arrangements. It is emphasised, however, that many complaints can be dealt with quickly and effectively by informal consideration based on discussions with the Headteacher. An appointment can be made to discuss any complaints with the Headteacher and also to view any curricular related documents.

### **School Policies**

The school and Governing Body review school policies and progress towards implementing strategies when appropriate. These can be accessed via the school by contacting the school office (01443 690468) or by emailing the school at [office@greenfield.merthyr.sch.uk](mailto:office@greenfield.merthyr.sch.uk). There are also located on our school website.

Governing Body minutes to meetings can be viewed at the school upon request.

### **School Prospectus**

The School Prospectus is available from the School office and website.

### **Toilets**

The school has the following toilet facilities for the pupils. They are cleaned twice daily in line with health and safety recommendations.
